Agenda Item #1, *Call to Order, Introductions and Review of Agenda:

Mr. David Wheaton, Chair, called the meeting to order at 3:00 p.m. in the Community Development/Public Works building, 1500 Monroe Street, Fort Myers, First Floor Conference Room 1B. Introductions were made.

Mr. Wheaton asked for a motion to approve the agenda.

Ms. Jane Bowser made the motion to approve the agenda as written, seconded by Mr. Paul Cohen. The motion was called and passed unanimously.

Agenda Item #2: *Approval of the March 20, 2024, meeting minutes.

Mr. Wheaton called for a review of the March minutes.

Mr. Paul Cohen made a motion to approve the March minutes as presented, seconded by Mr. Eric Spivey. The motion was called and passed unanimously.

Agenda Item #3, Public Comments:

- (a) McGregor Blvd from Shell Point Blvd to Davis Rd Mr. John Schulz stated the sidewalk on Davis Rd ends and you must go out on McGregor, which has no shoulder or bike lane. You then make a right where Summerlin Rd comes in and about 500 feet later you can cut across grass to get to a multi-use path that takes you into Shell Point. Mr. Schultz would like to see the two sidewalk sections connected to get to Shell Point.
- (b) Banyan Bay off Winkler Rd Mr. Stephen Saunders stated that there is an existing sidewalk on this section of Winkler Rd that is narrow and in need of repair. There is currently a project underway to replace the sidewalk. Mr. Sauders does not understand why an existing sidewalk that has been paid for, would be removed/replaced. He feels that the existing sidewalk should remain in addition to the new sidewalk being built, giving pedestrians and cyclists the option of two paths. He stated that there is also talk of curbing to be placed along the roadway. Will there be a curb, then a green belt of grass, and then a sidewalk, or a curb and then a sidewalk right against the roadway?

Ms. Jillian Scholler explained that the sidewalk along Winkler is being replaced because of major

drainage issues. For most of the summer, the sidewalk was not accessible because it was under water. The sidewalk is being moved closer to the road as it is the only way to mitigate the drainage issues. There will be a grass strip, about two to three feet, allowing a separation from the roadway. The curbing is being added in the area on the north end, where the RaceTrac is located, as there was an issue with drivers making U-turns and running off the road. The curbing is being added to deter drivers from making U-turns. The curbing will not run the entire length of the sidewalk.

Mr. Paul Cohen asked how far the new sidewalk will run. Mr. Cohen also wanted to know the approximate timeline for the completion of the sidewalk.

Jillian Scholler stated that there are sections of the sidewalk being repaired and replaced, but the entire length of the sidewalk will not be replaced and moved closer to the roadway. Ms. Scholler stated that she does not know what their construction schedule is, so she was unable to give a timeframe of completion.

Bill Juhl stated that it will be a couple thousand feet of new sidewalk, all on the east side. This will be about two-thirds of the way down Winkler.

(c) Eagle Ridge Dr from Daniels Pkwy to Aeries Way Dr, and American Colony Blvd to Eagles Ridge – Mr. Greg Lambrecht stated that this area serves five communities, a church, and a rehabilitation facility. There is no sidewalk or shared use path to accommodate the people trying to get to these facilities. There are drivers who speed, making it unsafe for cyclists and pedestrians. Mr. Lambrecht and others from the five communities at today's BPAC meeting want to reiterate that they are concerned for the safety of the residents.

Agenda Item #4: FDOT Bike/Ped Safety Presentation:

Ms. Tanya Merkle, from FDOT, shared a presentation on the 2024 FDOT Design Manual Pedestrian and Bike Updates. All projects from here on will include the new design features.

Some of these updates include changes to the following:

- Interchange Areas Bicycle and Pedestrian Facilities New Interchanges
- Bicycle Facilities Includes Text for Both On-Road Bicycle Facilities and Physically Separated Bicycle Facilities
- Pedestrian Crossings Angled, Straight, and Offset Crossings, and New Figures Added
- Signing and Pavement Markings Text Location Changed, and Text Regarding New Figures
- Signing and Pavement Markings Guidance on How to Use the Green-Colored Pavement, and New Figures Added of Roundabout with Separated Bicycle Lane
- Pedestrian Facilities Sidewalk Requirement for Sidewalk in C3C Context
- Bicycle Facilities Bicycle Ramps Added as a Bicycle Facility
- Bicycle Lanes Modified Context Classification Allowance for Marking Paved Shoulders as Bicycle Lanes, and Modified Condition 4 to Include Separated Bicycle Lanes as Not Being Present Along Corridor.
- Bicycle Lane Width Modified Criteria Regarding the Placement of a Bicycle Lane Adjacent to a 10-Foot Travel Lane
- Keyhole Lanes Modified Keyhole Lane Criteria

- Separated Bike Lanes Added Language to Support Separated Bicycle Lanes in Advance of Interchange Ramps as well as Other Intersections and Roundabouts
- Type of Separation Modified Language for Clarification, and New Section on Curb Types
- Sidewalk Level Separated Bike Lane Added Sidewalk Level Separated Bicycle Lanes as an Option and Design Criteria for Widths and Other Design Criteria Including Buffer Between Sidewalk and SBL
- Separated Bicycle Lane Widths More Flexibility in Minimum Lane Widths of SBLs and Accounting for Curbs
- SBL Curb Types
- Bicycle Ramps Straight Bicycle Ramp and Angled Bicycle Ramp
- Bicycle Parking Amenities Offset Requirement, Spacing Between Racks, Midblock and Intersection, Spacing Adjacent to Cars to Allow for Entering and Exiting, Separation from Parked Cars, and Parking Accessible to Bike Facility
- Tunnel and Bridge Width Added Needed Clarification of Criteria on Vehicular Bridges
- Horizontal Clearance Language Supports the Changes

Agenda Item #5: Bike/Ped Facility Requests/Presentations – Mr. Steve Jansen stated that he would like to have the following four projects added to the list:

- (a) McGregor Blvd from Shell Point Blvd to Davis Rd: There's a section on Davis Rd where the sidewalk ends. There would be a short section of sidewalk to put in. The most difficult part would be putting in the crosswalk to get to the bike path on the south side of McGregor. Nearby facilities include Shell Point.
 - Mr. Tom Marquardt explained that there's an active DO being processed on the property, so the developer will put in the sidewalk.
- (b) Summerlin Rd from Boy Scout Dr to Red Cedar Dr: A request is being made for a sidewalk (from the west side of Summerlin Rd) connecting to a multi-use path. Nearby facilities making this project necessary include: Tanglewood Elementary, Bishop Verot Highschool, Fleischman Park, and Transit routes.
- (c) North Airport Rd from US 41 to Fowler St: There is a gap in the sidewalk system. There are pedestrian facilities along US 41 and along Fowler St, but there is no sidewalk along Airport Rd. There is a RaceTrac being built, but they are not putting in a sidewalk.
- (d) Arthur Ave from Michigan Rd to Brookside St: Mr. Steve Jansen is not sure if this project is eligible to be put on the list as he is not aware of the Right-of-way situation. A few hundred feet of sidewalk would be needed to complete the connection between Arthur Ave and communities to the north and Veterans Park to the south. This may be in the LA-MSID and not a Lee County ROW.
 - Mr. David Wagley shared that this area is part of the LA-MSID ROW and is currently maintained by the Parks Department.

Mr. Brandon Kaczmarek said Parks & Rec would need to have a discussion with LA- MSID about the ROW and then come to an agreement that a sidewalk could be built and who would maintain it.

It was decided that projects (b), (c), and (d) be added to the list as project (a) will be built by the developer.

Agenda Item #6: Other Business

- (a) MPO Update (Ron Gogoi) Mr. Ron Gogoi did not have a presentation. He did state that one of the projects being handled is the development of a comprehensive action safety plan of the State Roadway system. There will be upcoming stakeholder and committee meetings to keep people informed of the progress.
- (b) Roll Call for BPAC Members' Attendance at May 7, 2024 BOCC Meeting for May is Bike Month Resolution Mr. David Wagley stated that at the May 7th BOCC meeting, the May is Bike Month Resolution will be proclaimed to the public. We need to know which BPAC members will be able to attend, so that names will be able to be announced beforehand. Typically, the chair speaks at the board meeting, while the entire group has their photo taken with the commissioners. All nine filled positions are welcome to attend the board meeting. An outlook invite will be sent to each BPAC member prior to the May 7th board meeting. Free parking is available at the Public Works building for the duration of the board meeting.

Agenda Item #7: Member Comments:

- (a) Mr. David Wheaton stated that he will not be at the May 15th BPAC meeting as he will be participating in the National EMS Memorial Bike Ride, riding From Boston, MA, to Alexandria, VA.
- (b) Mr. Eric Spivey wanted to clarify that the reason the sidewalk on Summerlin southbound/ McGregor (near Shell Point) runs out is due to mangroves in the area. He said there are signs informing the public that the sidewalk ends. Ms. Jillian Scholler will send someone to check if the signs are still there.
- (c) Mr. Steve Jansen asked about the maintenance of traffic (MOT) for the small projects and sidewalk repairs, wanting to know who takes care of it. Often it can be a high-speed divided road with a sign on either side informing the public that the sidewalk is closed. What is the plan for a pedestrian or someone in a wheelchair to continue their trip? Is there any action being taken to address the problem?

Mr. Tom Marquardt shared that LCDOT focuses on the MOT more with the LCU projects. They are reminded and checked on to make sure that they are providing pedestrians with bike/ ped access and rerouted detours or whatever may be required.

Ms. Jillian Scholler added that it is a difficult thing to enforce, as some areas may not have an alternative route. In this case, they try to make sure that more signage is made available.

- (d) Mr. Derek Felder wanted to know if the points are re-evaluated on a yearly basis when working on the Tier List. For example, are old projects re-evaluated for their points?
 - Mr. David Wagley shared that the biggest factors are the traffic volumes and the number of crashes from year to year. A new school being built can also impact the points.
- (e) Mr. Paul Cohen wanted to know if it's possible to be informed about projects that will be taking place. He also wanted to know if there's a way to be informed about the funding of a project. Is the funding coming from a source outside government funds? If a developer is funding the sidewalk/ shared-use path, can that project be removed from the list to allow for the possibility of another project?

Ms. Jillian Scholler shared that any new construction projects will be listed in the weekly Roadwatch, which is available on the LCDOT website.

Mr. David Wagley stated that it is likely that a developer will take care of the sidewalk/ shared-use path for their development.

Agenda Item #8: Staff Comments

No Comments.

Agenda Item #9: Other Government Entity Comments

- (a) Parks & Recreation Brandon Kaczmarek shared that last week they had their grand opening for the Lehigh Acres Park expansion project. There are new trails, a football field, and pickle ball courts that are now open to the public.
- (b) Lee Tran Olivia Cassidy shared that they are starting construction on Park and Ride in Lehigh. On the 25th, they will have a service change, so they will be taking away the season routes 500 and 505. There will also be changes to the geometry and the pattern of some of the routes in about a week.

Agenda Item #10: Upcoming meeting items

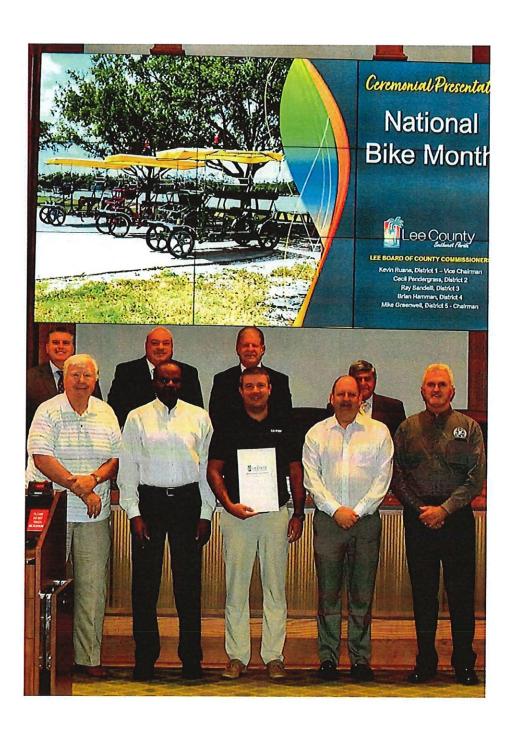

Next Meeting date - Wednesday, May 15, 2024.
