LEE COUNTY SHIP AFFORDABLE HOUSING FUNDS INSTRUCTIONS FOR DOCUMENTING THE SPECIAL NEEDS

Instructions

At least 20 percent of the SHIP funding must be used to serve persons with special needs (as defined in 420.0004 Florida Statutes) with first priority to serve persons with developmental disabilities by providing home modifications, including technological enhancements and devices which will allow persons to remain independent in their own homes and maintain their homeownership.

Although there is a priority for persons with developmental disabilities, the fundamental requirement is to document that SHIP funds are used to provide rental or homeownership assistance to households that include one or more household members with special needs.

In order to track how the funds are targeted the agency receiving SHIP funds must:

- Identify applicants who are persons with special needs and
- Require supporting written documentation related to those households with persons with special needs. If the household is receiving financial assistance connected to the special needs that financial assistance must be counted when determining income eligibility.

All financial assistance related to any of the special needs categories must be reported as income and should be documented appropriately as part of the application process.

Remember to ask lots of questions:

Is the applicant receiving Family and Supported Living or the Developmental Disabilities Home and Community-Based Services Waiver? If so, please request documentation of the eligibility determination from the Agency for Persons with Disabilities.

Definition:

393.063F.S. - "Developmental disability" means a disorder or syndrome that is attributable to retardation, cerebral palsy, autism, spina bifida, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.

420.0004 (13)F.S.- "Person with special needs" means an adult person requiring independent living services in order to maintain housing or develop independent living skills and who has a disabling condition; a young adult formerly in foster care who is eligible for services under s. 409.1451(5); a survivor of domestic violence as defined in s. 741.28; or a person receiving benefits under the Social Security Disability Insurance (SSDI) program or the Supplemental Security Income (SSI) program or from veterans' disability benefits.

420.0004 (7)F.S.-"Disabling condition" means a diagnosable substance abuse disorder, serious mental illness, developmental disability, or chronic physical illness or disability, or the co-occurrence of two or more of these conditions, and a determination that the condition is:

- (a) Expected to be of long-continued and indefinite duration; and
- (b) Not expected to impair the ability of the person with special needs to live independently with appropriate supports.
