

Regulation Number: 1030

**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

N/A

Date Issued

June 5, 2018

Location: Fishermens Wharf (EB/WB), north side, from Fishermens Wharf (SB) west to San Carlos Drive; and San Carlos Drive, east side, from Fishermens Wharf (EB/WB) to a point approximately 540 feet north of Fishermans Wharf (EB/WB)

I hereby direct that the No Parking prohibition be established

at the above named location, in accordance with the attached detail.

This regulation shall be effective upon posting.

Initiated by: William Lee, United States Coast Guard, 719 San Carlos Drive

Recommended by: Kelly Mutz; Senior Traffic Engineering Technician

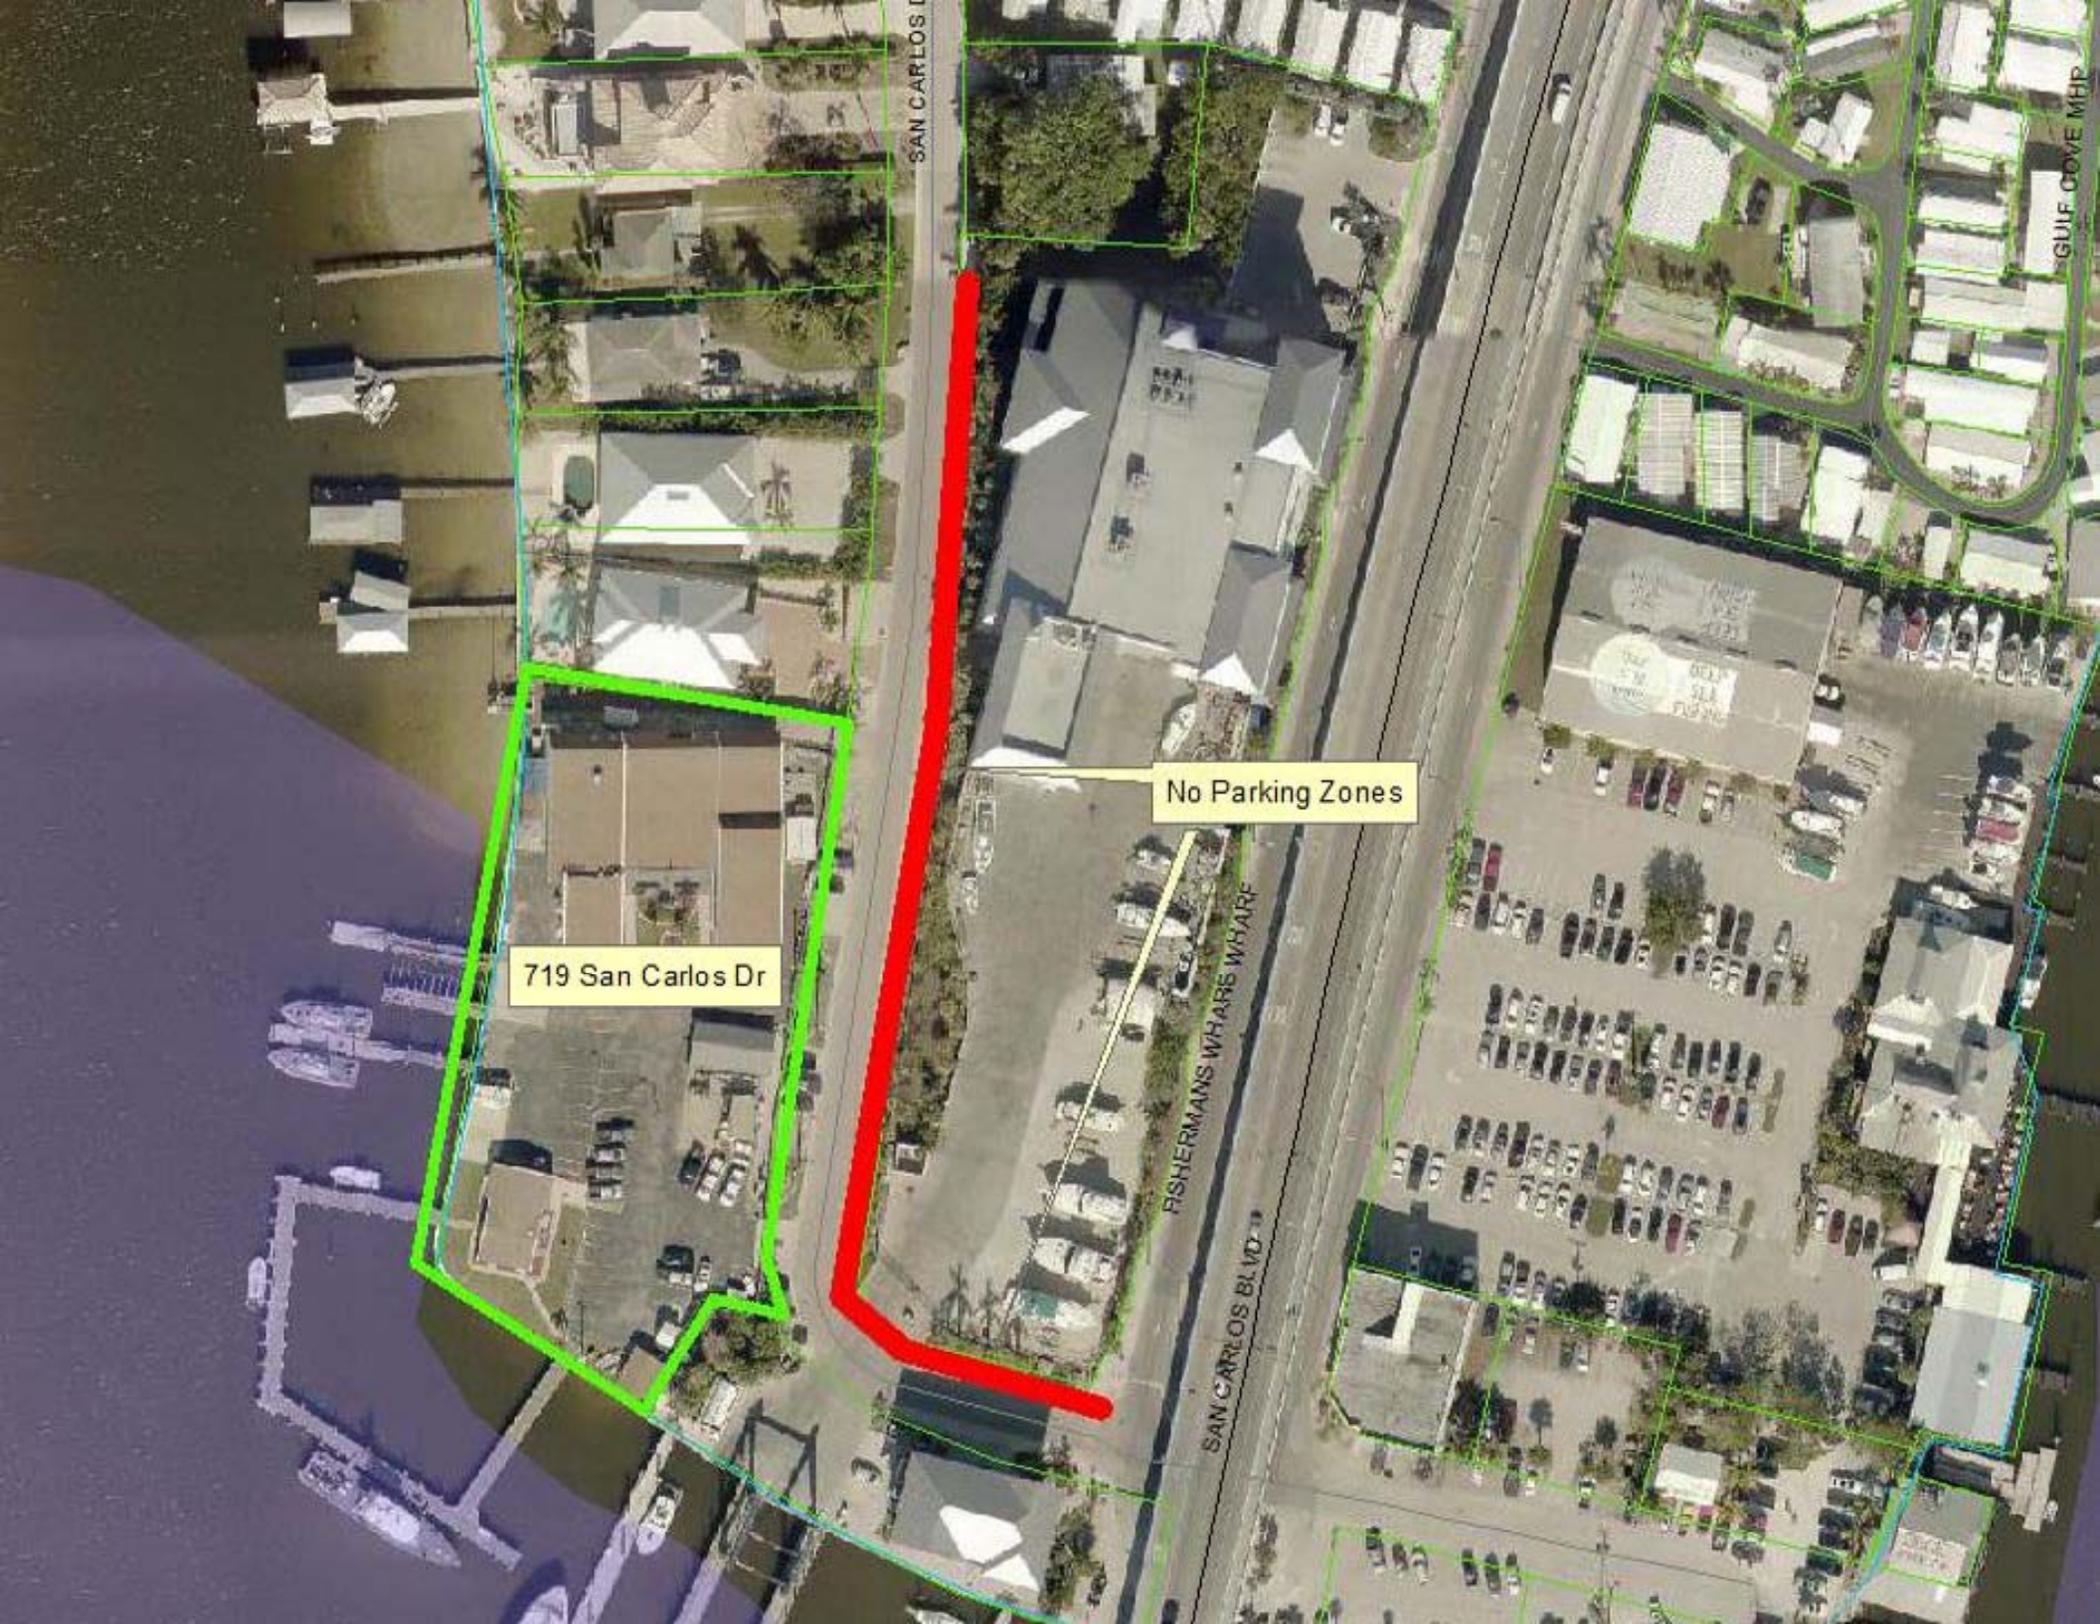

Studies on file: Field observation by Lee County DOT staff and Coast Guard testimony that parking is occurring. Motorist parking on San Carlos Drive from Fishermens Wharf north on east side of the street restricts traffic accessing the Coast Guard Station at 719 San Carlos Drive. The roads are narrow, and a sidewalk is in place on the east side of San Carlos Drive with a valley gutter in place so some parking encroachment on the sidewalk may occur. Large vehicle, trailered boat traffic, and emergency vehicle passage must be maintained on these roads. For public safety purposes, the No Parking zones proposed are recommended.
