Initiated by: Danny Ballard

Recommended by: Bryan Miller, Senior Project Manager

Studies on file: Currently No Thru Truck restrictions are posted on Crescent Lake Drive and E. Mariana Ave @ Business 41 for eastbound entering traffic. No Thru Truck signs are posted at other locations within the community. The Circle K/Shell commercial business on the south side of Bayline Drive between Crescent and Magnolia Drive generates large and heavy truck traffic during business hours. In keeping with prior truck restrictions in the area to address commercial and LCEC truck traffic, a No Thru Truck sign can be recommended south of the commercial driveway to Circle K/Shell on Magnolia Drive.
