TRAFFIC REGULATION ORDER**

**Date Advertised**

N/A

**Date Issued**

May 26, 2021

**Location:** Gladiolus Drive, from Alexandria Court/Hagie Drive to A & W Bulb

**I hereby direct that** a 45 Miles Per Hour Speed Zone be established for eastbound from Hagie Drive to A&W Bulb, and for westbound from A&W Bulb to a point approximately 600 feet east of Alexandria Court; AND a 35 Miles Per Hour Speed Zone be established westbound from a point approximately 600 feet east of Alexandria Court to Alexandria Court/Hagie Drive

at the above named location, in accordance with the attached detail.

This regulation shall be effective upon posting.

**Initiated by:** Stephen M. Jansen, P.E., P.T.O.E.

**Recommended by:** Bryan Miller, Senior Project Manager

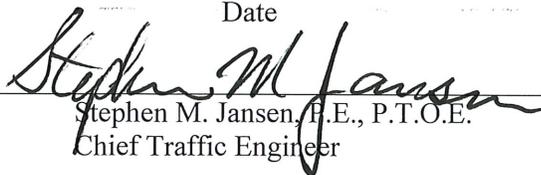

**Studies on file:** A 35 Mile Per Hour (MPH) Speed Limit is in place through the Harlem Heights community on Gladiolus Drive. The eastern limits of the community are at or near the intersection of Alexandria Court/Hagie Drive. The posted speeds of 35 MPH east of the signal at Alexandria Court/Hagie Drive are not consistent with the road and roadside conditions, and should be adjusted to account for the design speed of the road eastbound and provide for a short transitional 35 MPH zone westbound in advance of the signal and the 35 MPH posted zone through Harlem Heights. There are no driveways in this segment. These changes are not expected to have any significant impacts on road safety or operations.
