

Regulation Number: 1,083

**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

NA

Date Issued

March 4, 2022

Location: 6th Street, west side, from Center Road to a point approximately 115 feet south of Center Road

I hereby direct that a NO PARKING restriction in the right-of-way be established

at the above named location, in accordance with the attached detail.

This regulation shall be effective upon posting.

Initiated by: Paul Chambre, Air Science (Manufacturing & Headquarters in Page Park)

Recommended by: Bryan Miller, Senior Project Manager, LCDOT

Studies on file: On-site meeting with the Air Science owner, Paul Chambre, on February 25, 2022 to discuss intersection safety concerns. Observation was made that employees of Air Science are parking on the west side of 6th Street from Center Road to the first driveway south, a distance of about 115 feet roadside within the clear intersection sight window. Eastbound and northbound drivers have a restricted view of entering traffic due to the parked vehicle sight obstruction. Employee parking is occurring for convenience since on-site parking is available in the rear of the east side building. Air Science has property on both sides of 6th Street in the immediate area. The No Parking regulation will enhance safety by providing approaching drivers with unobstructed views close to the intersection.
