Studies on file: Field survey of conditions on May 10, 2022 and a specific request by the HOA. Lee County DOT has already prohibited on-road and roadside parking on Charwood Avenue from Milwaukee Boulevard to Morningmist Lane on both sides of the road due to problems with parking for multiple school bus stops restricting the mainline movement of traffic at and near the intersection of Milwaukee and Charwood Avenue. Charwood Avenue serves as a residential collector road and as a main access to a school location several blocks north.
