## Application for Free Matter Postal Provisions

People with a visual or physical disability that prevents them from using standard print books are eligible to receive large print materials postage-free through the postal provision called "Free Matter for the Blind or Handicapped." To receive this benefit, the U.S. Postal Service requires a certified application. Please mail this completed form to Home Borrower Services by refolding and taping it with the library address showing on the outside or send it in an envelope with proper postage.
